

The Philippine Review of Economics

CALL FOR PAPERS

SUBMISSION INFORMATION

The *Philippine Review of Economics* welcomes submissions of articles, theoretical or empirical, on economics and economic development. Papers on the Philippines as well as other developing economies are encouraged. Book reviews are also welcome.

Manuscripts must be written in English and should be submitted in electronic form. Soft copies may be e-mailed to: pre.upse@upd.edu.ph and pre@econ.upd.edu.ph.

Submission of a manuscript shall be understood by the PRE as indicating that the manuscript is not under consideration for publication in other journals or publications.

MANUSCRIPT REVIEW

Depending on the nature and content of the manuscript, the Editor will ask appropriate members of the Editorial Board to review or recommend reviewers of the manuscript.

Based on the recommendations of the reviewers, the Editor will make the final decision on acceptance, rejection or revision of the manuscript.

Manuscript Format

1. Manuscripts must be typed 1.5 spaced on one side of short (8.5 x 11) size bond paper. The entire manuscript should be no more than 40 pages. (Text in MS Word, graphs and tables in MS Excel format)
2. The **front page** of the manuscript should have all of the following:
 - title of the paper,
 - names, affiliations, contact details
 - abstract (no more than 150 words)
 - at least one *Journal of Economic Literature* classification code
 - a list of 3-4 key words.
3. **Footnotes** should be numbered consecutively in the text.
4. **Section headings** should be numbered in Arabic numerals (1, 2, 3, etc.). Sub-headings should follow the double numeration system (1.1, 1.2, etc.) while sub-sub-headings follow the triple numeration system (1.1.1, 1.1.2, etc.). All headings are to be left-aligned and in bold. All other text must have no special formatting/style, except for emphasis.
5. **Illustrations, figures and tables** should be numbered in Arabic numerals, accompanied by titles and sources, and supplied on separate sheets at the end of the manuscript. Presentation of data in tables is preferred. Diagrams and graphs should be clear and understandable in black and white.
6. **Mathematical notations and equations** should be numbered consecutively in Arabic numerals. All equations elements must be defined in the text.
7. **References** to publications in text should follow: "According to Danao [2001] ..." or "(e.g., Danao [2001], Bautista [2002])." or "(Danao [2001]; Bautista [2002])." A list of references is to be provided at the end of the text. Examples:

Agoncillo, T. [1990] *History of the Filipino people*. Eighth edition. Quezon City: Garotech Publishing.

Alonzo, R. [2002] "The economic freedom index: a review", *Philippine Review of Economics* **39**(1):72-102.

Krugman, P.[1999] "Was it all in Ohlin?", <http://web.mit.edu/krugman/www/ohlin.html>
Accessed 9 October 2002

House of Representatives (HR) [1966a] *Constitutional convention record*, v. 5, Manila: Republic of the Philippines.

Isay, R. [1935] "Mining law" in *Encyclopedia of the social sciences* **10**: 513-517.
